

# ALL NEW CUSTOM DELUXE WINTER COVERS

## DESIGNED EXCLUSIVELY FOR METRIC ROUND POOLS!

Finally, a winter cover designed exclusively to fit into the standard coping of Radiant Metric Pools! The custom fit provides perfect coverage for winterizing the Metric Pool.

This HPI ArmorKote™ 20 year deluxe winter cover is the ultimate in tear and puncture resistance strength! Made from Tough Triple-laminated NO-RIP polyethylene fabric & Triple edge reinforced perimeter, this swimming pool winter cover is 30% lighter than other winter covers, yet offers 40% stronger than any other swimming pool winter cover!

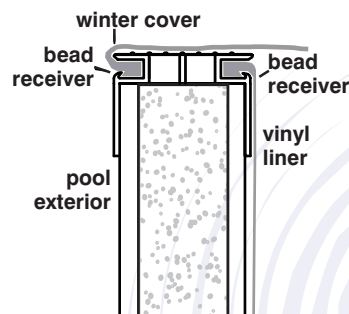

Constructed with ArmorKote™ woven technology, this cover has denier of 1200. The ArmorKote™ layer is added for superior strength and long lasting durability.

The No-Rip cover material includes U.V. protection to last for years in direct sunlight without delamination. The outer border is constructed with triple edge reinforced binding. The special non-abrasive, non-staining underside helps keep this pool cover super strong!

**This incredible winter cover comes with a 20 year Deluxe pro-rated Warranty with the first 5 years FULL!**

 HINSPIRGERS POLY INDUSTRIES LTD.

made exclusively by

**Custom designed to snap into the Metric pool's patented dual bead receiver coping!**

**If your cover should experience a puncture, this tough cover will not rip, fray or come apart!**
