

## A Stress-Free Vacation Every Year... Guaranteed!

Radiant Pools offers a **NON-PRORATED, FULLY TRANSFERABLE LIFETIME WARRANTY** against manufacturing defects for as long as you own your pool. If the original purchaser should sell their pool, whether directly or through the sale of their home, the new owner is issued their own lifetime warranty certificate. This option adds value when you sell your home!

Compare our warranty to any other pool on the market.

You won't find another manufacturer who offers you this kind of confidence and guaranty on their pool. We stand behind our product so that you can relax and enjoy your pool without worry.

**With a Radiant Pool, you always get true value and real peace of mind.**

## Another Incredible Radiant Pool!

Radiant Pools proudly introduces our New 48" Wall Onground Pool with Deck and Fence Package! With its contemporary Grecian shape, this Fully Onground Pool (no concrete required!) will be an incredible destination spot for your backyard vacation. The Mainstay Onground Pool comes with the same superior wall construction as all of our incredible energy-efficient insulated pools.

Taking from the same technology used to build airplanes and spacecraft, the Radiant Pool walls are structural insulated panels constructed of 2" EPS foam insulation bonded between two sheets of durable acrylic-coated aluminum that resists oxidation and corrosion. The exceptionally strong Radiant Pool offers superior insulation that keeps the water warm through solar energy.

**For greater structural integrity and long term value, a Radiant Pool is the smart backyard investment.**

It is simply brilliant.

**An optional 8'x8' lounge deck is also available.**

## Come On In, the Water Feels Great and So Will You!

There's no need to spend your hard earned money on transportation when you can own the Energy Efficient Environmentally Smart Radiant Onground Pool. No travelling to the beach when you can vacation in your own backyard everyday. You save money, energy and emissions. It's an investment in your home and your life.

**Radiant Pools R-10 insulated walls** resist heat loss more efficiently than any other type of pool wall. Heat gained from the sun is retained, maintaining water temperature even overnight, when other types of pools lose up to 10 degrees F.

Radiant insulated wall panels help keep the water warmer longer and can extend the swimming season by up to 2 months.

your complete backyard vacation package

**Energy-efficient insulated wall panels not only make the Radiant Pool more comfortable, it can yield long-term financial rewards in energy savings. With the superior heat retention properties of a Radiant Pool, you can save \$1000's on heating costs.**

**Reduce the impact of your lifestyle on the health of the planet. And save money in the process. Install a Radiant Pool and make everyday a vacation day!**

**For more details, ask your dealer for our Energy Savings Brochure.**
